

2011 - Property Foreclosure Caretaker & Mowing  
USDA Rural Development Office  
Fayette, Estill, Clark, Bourbon, Owen, Scott, Jessamine,  
Garrard, Mercer, & Woodford Counties

The purpose of this contract is to provide general property maintenance for single dwelling property foreclosures for the USDA Rural Development office. OAG will be providing its services for the counties listed above on work order basis through the USDA local area offices. Properties will be mowed, trimmed, and litter or debris removed twice monthly for the 2011 mowing season through September. These homes are sold at public auction by USDA, for more info contact your local USDA field office or log onto [www.USDA.gov](http://www.USDA.gov). OAG is pleased to offer services for this program and a few before and after pictures are listed below.
